- money management
- healthy coping
- medication compliance

PDG

Psychiatric Rehab Program (PRP)

Our PRP is designed for individuals with severe mental illnesses that need help integrating into their communities. We accept Medical Assistance and have an easy online referral process. PRP consumers receive a one-on-one Mental Health Care Coordinator who connects them with everything they need to take the next step in their recovery, including...

1

Resources

Food, housing, clothing, journals, healthcare providers, applications, medication, & more!
